* Time is money

INTRODUCING BENSTARGO – INNOVATIVE LOGISTICS PROVIDER

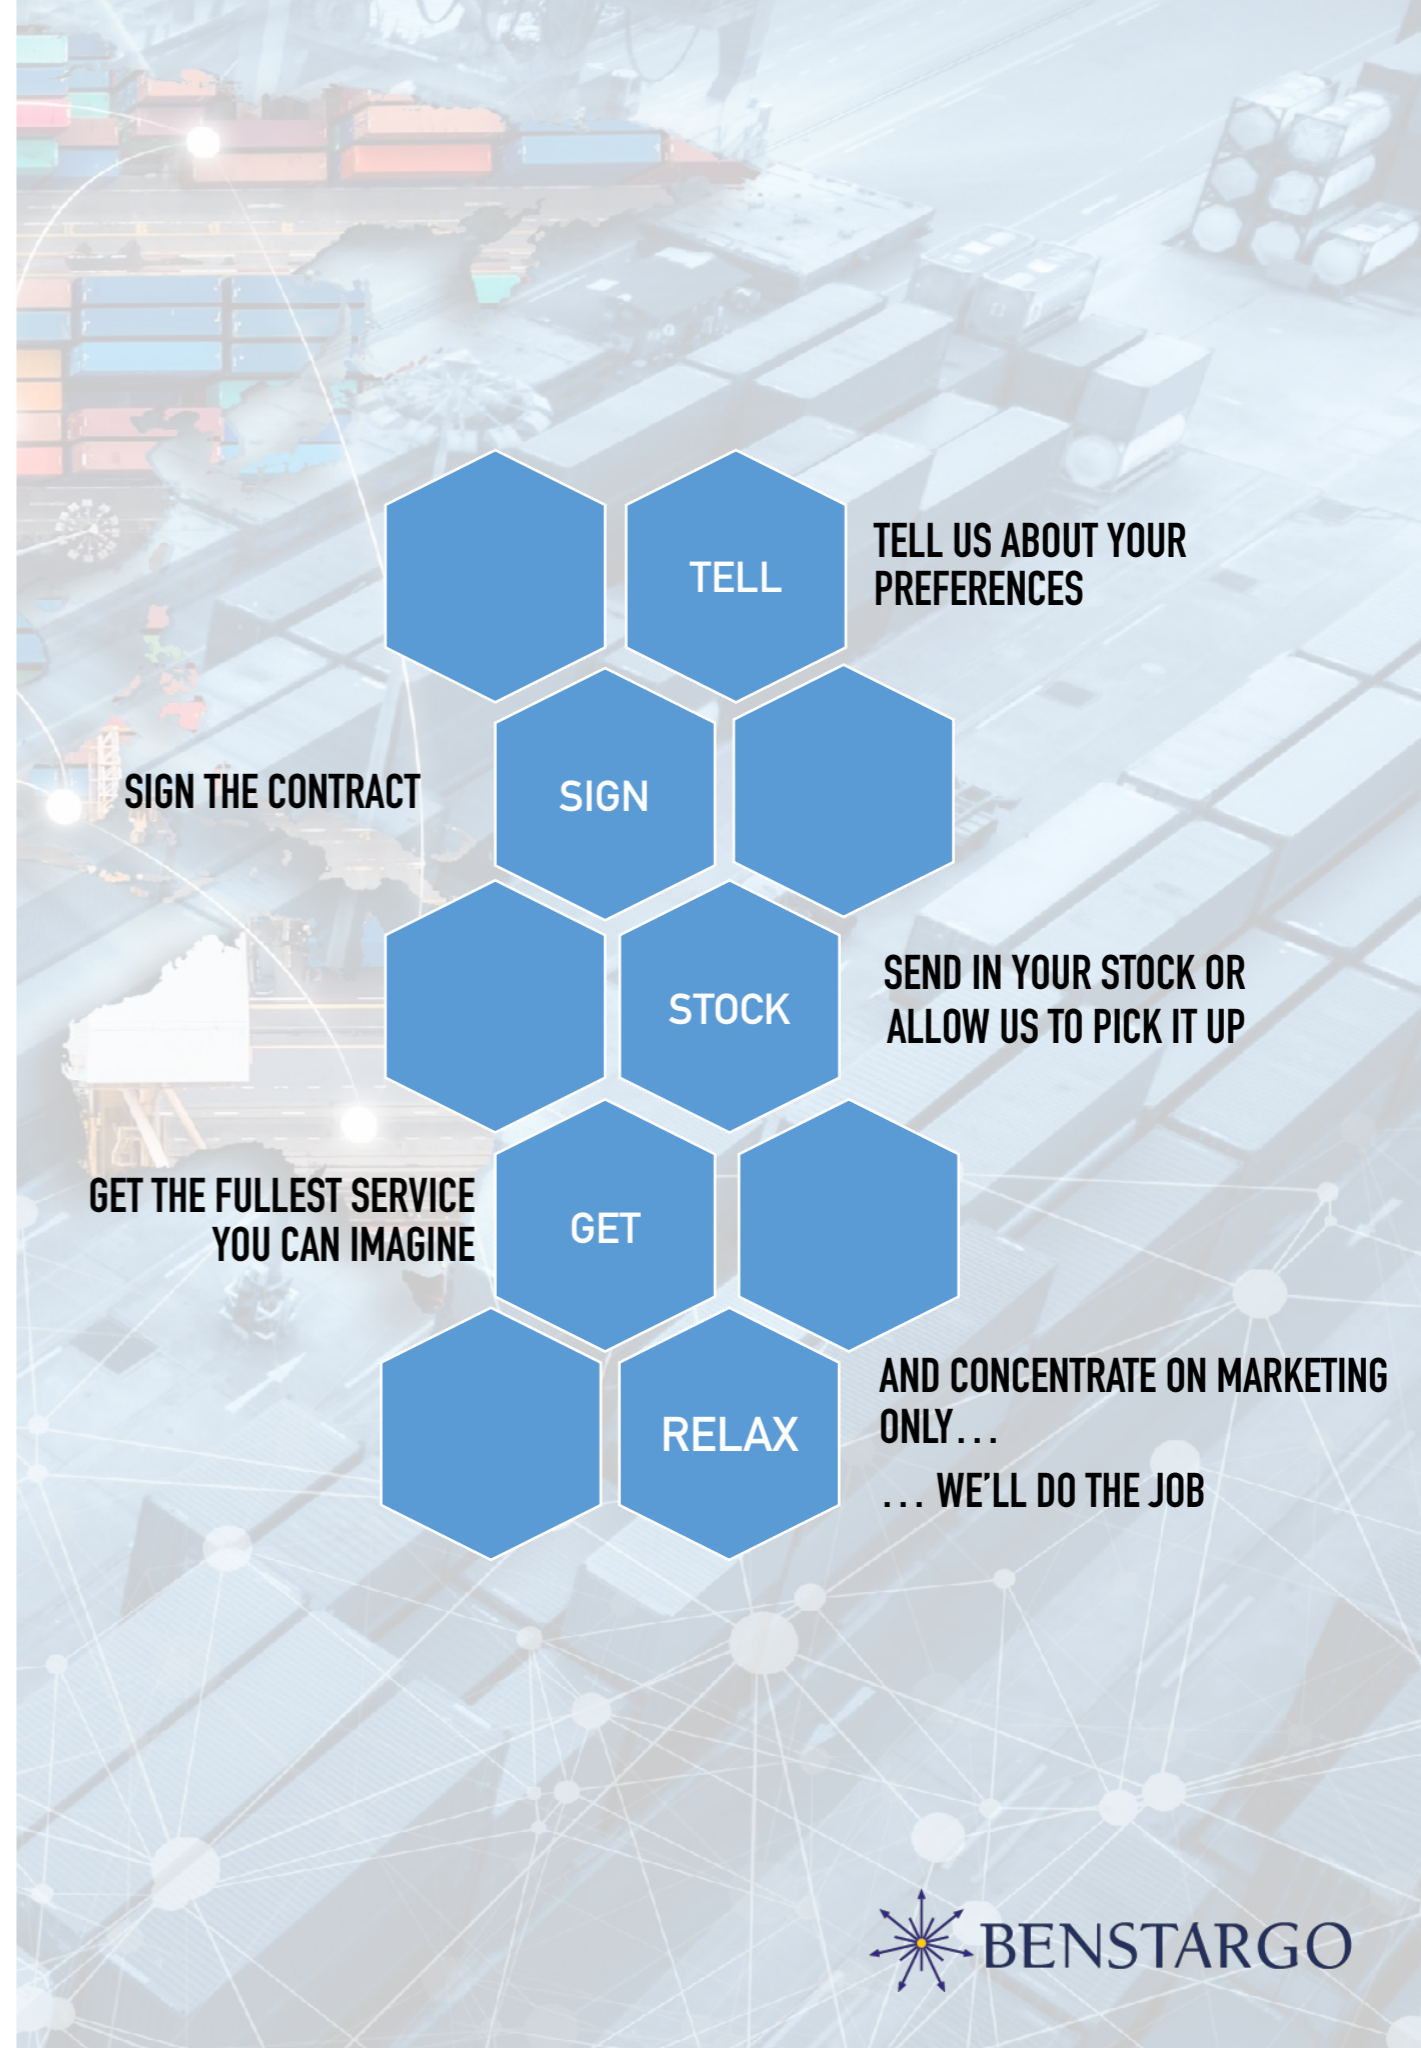

- Benstargo is an international e-Commerce logistics and fulfilment service provider that uses latest technology to develop custom solutions for our clients through fully automated processes.
- Benstargo contracts with reliable shipping companies to import, store, pack, and deliver our clients' products so they can focus on their core businesses.
- Benstargo's unique approach gives our customers real-time visibility to product movement across the network through online user portals, bringing full transparency, accuracy and effectiveness.
- Benstargo is driving maximum cost optimisation to allow our clients spend more time to accelerate their sales growth.
- Benstargo is innovative and friendly. User friendly.

BENSTARGO PTY LTD SERVICES INCLUDE:

- B2B, B2B2C and B2C end-to-end solutions
- Assistance with Packing lists and Customised packaging options
- Subscription boxes
- Storage and loading
- International Shipping
- Customs clearance and Quarantine
- Delivery to the Door by parcel post, mail, or on-demand same day delivery.
- Easy Return options, as we will return, check and register items and provide return labels, if requested.
